QUANTITY ORD.	ITEMS AND DESCRIPTION	QTY. SHPD.	REMARKS
5,500	P/O# 72477 L17 PART# MNC0000130		This shipment was delivered to the transport company and signed for in good condition, and according to the terms of this bill of lading the transport company agreed to deliver it to you in the same good condition. Should you find any concealed/apparent damage or a shortage, please have this fact noted on both the freight receipt and freight bill, and file your claim with the transport company immediately, but not later than nine (9) months from the date of this shipment. Dalco Metals shall not be responsible for this loss, but will be willing to assist you in realizing your claim from the transport company.

	*** CONTINUED ON PAGE 4		

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

10-20-22

*If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is carrier's or shipper's weight. NOTE–Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property.

The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding $ _____ per _____

This is to certify that the above-named materials are properly classified, described, packaged, marked and labeled and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.

Signature _____

*Mark with "X" to designate Hazardous Material as defined in the Department of Transportation Regulations Governing Transportation of Hazardous materials. The use of this column is an option method of designating hazardous materials on bills of lading per Section 172.201 and 172.202(b) of the regulations governing the transportation of such materials.

ALL LOADS MUST BE TARPED
